Peter,

Yes, I will bring the Orange Folder to you as soon as it is reviewed/concurred by Cara/Allyn.
The Orange Folder is with Cara now. I put a note on it requesting that she and Allyn review/concur today so Ed can sign it today.

Thanks,
Clarke

Hi Clarke, Can you bring the orange folder back to me after it gets the ORC concurrences, and I will make sure the admin team does their part and it gets to E for his signature. I think he is scheduled to telework tomorrow/Wed.

Thanks,

Peter

Peter,

Honestly, I am no expert when it comes to Region 10's internal routing policies. I will ask Cara if we need to see the AOC again for review and concurrence, but I do not think a re-route is necessary given that Cara, Allyn, and Ed have all been apprised of the issues at play after their initial review and concurrence.

Do you want to ask Ed his preference as well?

Thanks,
Clarke

Hi Clarke, I put the package in our Admin box to proof giving to Ed for his signature.

Since ORC reviewed/concurred on the solicitation package with the draft 1414 on May 15th, I don't think we need to re-route to concur again now that the Tribe has signed correct?

Thanks,

Peter

Peter, et al.,

Hello.

Please see the attached SIGNED SDWA Section 1414 Administrative Order on Consent.

This is ready for internal routing and signature.

Let me know if I am necessary to how we communicate the fully signed and executed AOC back to the Tribe (i.e., via the Tribe's attorney).

Thanks,
Clarke
